This form is to certify that I consent for myself/my child under 18* to undergo physical examination, in order to help my physiotherapist determine the likely cause of the difficulties for which I/we* sought out physiotherapy services.

I also consent to participate/for my child to participate* in treatment recommended by my physiotherapist based upon his/her assessment. However, my physiotherapist shall explain to me all the risks associated with any particular treatment modality/approach, both before commencing treatment and whenever a change of treatment is undertaken. I understand that they will seek my further consent to proceed before making such changes and that by signing this consent form I do not forego my right and expectation to have any such risks associated with treatment explained to me. Nor, by signing this consent, do I give up my right to withdraw my consent for any aspect of treatment should I change my mind.
